MAPLEWOOD SWIM CLUB 2009 INFORMATION SHEET FOR NEW MEMBERS

In 2009 The Board of Directors has made joining Maplewood Swim Club more affordable. Normally an incoming member would be responsible for paying for an equity bond* and paying for the full dues. The bond is \$1,250.00 and the full annual dues are currently \$1852.22.

However, in 2009 we are offering two equity options, both of which reduce the dues over a two-year period, and a non-equity option. **Equity membership means that you are a part owner of our valuable property. You also have the right to vote on important matters.**
